## Find the Area

Calculate the area of the colored part.

The area of the orange part is:

The area of the orange part is:

Write your answer here $\mathbf{c m}^{\mathbf{2}}$

The area of the orange part is:

Write your answer here $\quad \mathbf{c m}^{\mathbf{2}}$ $\stackrel{7}{\square / \sqrt{8}}$

The area of the orange part is:

Write your answer here $\mathbf{c m}^{\mathbf{2}}$

The area of the orange part is:

Write your answer here $\mathbf{c m}^{\mathbf{2}}$

The area of the orange part is:

Write your answer here $\mathbf{c m}^{\mathbf{2}}$
